About Tonight's Program

Welcome

Forgotten Harvest is partnering with CBS 62 and CW50 (ViacomCBS) for a televised donation drive to help feed those in need in metro Detroit.

In April, we were forced to cancel our largest fundraising event - Comedy Night. Even though we can't gather in the same way for our special event we wanted to still bring our community together for a fun night and most importantly, to support those in need. Families and communities across metro Detroit have been hit hard by COVID-19, thus increasing food insecurity for many by more than 50 percent, which is why **Feeding Detroit: A Motor City Meal-A-Thon** will be instrumental in supporting this increased need. From Detroit-based celebrities and athletes to well-known actors, comedians, musicians and more, this virtual fundraising event will be a night of fun from home all while raising money to support those in need.

Very special thank you
to the wonderful people at Viacom CBS
and all of the supporters that
made tonight possible.
