

# Long-Term VOLUNTEER

## AT FORGOTTEN HARVEST

We are looking for long-term volunteers to aid in our mission to relieve hunger and prevent nutritious food waste in metro Detroit. The ideal long-term volunteer will be available to help out 2+ hours a week for at least 6-12 months.

### HOW YOU CAN HELP...

#### Link2Feed

This opportunity will allow volunteers to work with our partner agencies and clients. Link2Feed is an intake program set up to learn more about the needs, stories, and demographics of people that are receiving food from Forgotten Harvest. Volunteers will help train, onboard, and support agencies in their use of Link2Feed. Volunteers will conduct client intake on-site at our partner agencies and/or may assist with data entry for client forms into Link2Feed.

#### Harvest Heroes

Harvest Heroes is a Forgotten Harvest volunteer group created to rescue food throughout Wayne, Oakland, and Macomb counties. Harvest Heroes rescues from a wide variety of food donors and delivers to designated food pantry partners. Each pick-up location averages about 50-75 pounds of food.

Each volunteer uses his/her own vehicle and gas mileage to complete the assigned route of 4-5 food rescue locations and 1-2 agency/food pantries. We aim to keep this within a 10-mile radius but due to routing and agency pairing, we may exceed this radius for some routes. Typically, the route is scheduled for once a week with an approximate 2-to-3-hour commitment. Most routes start around 9:00 am and are usually completed by noon.

#### Speakers Bureau

The Speakers Bureau is a unique volunteer opportunity for individuals who are dedicated to our mission. Volunteers will attend community events throughout Wayne, Oakland, and Macomb counties to be our voice and provide information about and be an advocate for Forgotten Harvest.

#### Facilities Department

The volunteer handyperson will assist and carry out minor repairs and maintenance of property, furnishings, and equipment. All of the tools and materials will be provided by Forgotten Harvest. Prior experience preferred.

#### Site Monitor (seasonal)

Volunteers will help with both Summer Food Service Program (SFSP) & Child and Adult Care Food Program (CACFP), allowing children to be fed when school access is no longer available during the summer and evenings. Site Monitors will help ensure compliance required by the USDA and MDE during meal service times.
